Keynote Addresses:

Dr. Eli Newberger: "The Changing American Family"
and
"Building Character in Boys and Girls"

Dr. Newberger is a leading figure in the movement to improve the protection and care of children. He is renowned for his ability to bring together good sense & science on the main issues of family life. He is also author of the book The Men They Will Become.

Dennis Mohatt, M.A.: "State of Mental Health Care in America: Challenges and Opportunities"

Dennis Mohatt is a Senior Program Officer with the Western Interstate Commission on Higher Education (WICHE) and a member of the President's Blue Ribbon Panel on Mental Health in America. WICHE's Mental Health Program helps member states improve their mental health systems and enhance the preparation of a qualified mental health workforce.

Jack Westfall, M.D. "Best Psychiatry Care Practices in the Primary Care Setting"

Dr. Jack Westfall is Director of Rural Health for the University of Colorado Health Sciences Center and as served as a family physician in Limon, Colorado since 2001. He is chief of staff at Lincoln Community Hospital in Hugo, Colorado and is working closely with the Rocky Mountain Prevention Research Center in addressing rural community issues that promote a healthier life.
